

Please do NOT change our no call list! It has been so peaceful around here without constantly being interrupted by annoying tele-marketer calls. I stay at home with my children and I can't begin to tell you how often our routine was interrupted by their calls (about 95% hung up on me, I think since they were hoping for my husband) So PLEASE don't do anything that will change it back to the way it was.
Indiana's no-call list is fine just the way it is.
